OFFICE OF  
INSPECTOR GENERAL

Dear Inspector General Meyer:

This is in response to the recommendations made by your office for File ID No.:2013-CA00069 regarding Mount Vernon Developmental Center employee Sue Lindsey.

The DODD Deputy Director of Human Resources, Antoinette Wallace, notified all employees of the Department that they are prohibited from conducting private business while on state time on August 19, 2014, at 4:32 p.m.

On July 24, 2014, the Superintendent of the Mount Vernon Developmental Center, Dana Mattison, instructed the two supervisors responsible for pricing items that they are prohibited from purchasing items from the DP & S (dba Willow Works) workshop, greenhouse or from any community function or event where DP & S is a vendor. This was documented and signed by both Program Administrator Deb Byers and Residential Care Supervisor Cheryl Villa.

This fulfills both recommendations made by the Office of Inspector General. Please let me know if you have any further questions or concerns.

Sincerely,

John L. Martin  
Director
