RE: Ohio Department of Medicaid, File ID NO: 2018-CA00001

Dear Inspector General Meyer:

Please accept this letter as the Ohio Department of Medicaid's (ODM) response to the recommendations made by your office in the Report of Investigation issued on July 24, 2018.

**1) Review the actions of Medicaid Health Systems Administrator 1 Kimberly Williams to determine if administrative action is needed.**

ODM conducted an administrative investigation into the allegations regarding Ms. Williams. On August 2, 2018, ODM accepted Ms. Williams's resignation in lieu of termination.

**2) Consider cancelling the Medicaid provider number associated to Williams or Cornerstone Care Counseling Center LLC while Williams is employed by ODM.**

Ms. Williams is no longer employed with the agency so it is no longer necessary to cancel her Medicaid provider number.

We believe these actions address the recommendations your office made in the Report of Investigation.

Respectfully,

Barbara R. Sears, Director
