Gary/Emily,

I have money budgeted for some road repairs at Caesar Creek State Park. I would like to use the 101 contracts to get the repairs done this spring. We were able to get these things accomplished at Cowan Lake last year, but I recall there were some issues with how we went about getting the work done. Caesar Creek is going to be a smaller project and more focused on repair work and chip-seal on a few roads. I would like to work with you on getting this work completed this spring. I am working again with Strawser and Pavement Management on some estimates. Please let me know how you would like to proceed.

Also, I have money set aside for FY 2015 that will likely be partially used at Caesar Creek as well as some other facilities in your district. I would like to start coordinating on these projects soon as well.

-Paul 'Gus' Smithhisler, P.E.

There are no plans. We were simply looking to repair and resurface (chip-seal) roads 1, 2, 3, 4 & 34. It includes some full-depth repair as well as some leveling, then resurfacing and striping.

Hey Gus,

Strawser has PO's in hand and we currently have you scheduled for the 28th (after memorial day & weather permitting).

From my understanding Dan and his crews are getting up there as early as tomorrow to start with the repairs.

Attached is a spreadsheet of the work we are doing just so you have in your notes along with

Hey guys,

I wanted to include everyone on the email to make sure we are all on the same page regarding Caesar Creek.

Gus, From our previous conversation everything looks fine on ODOT's level. We have our team scheduled to come in on May 20th, through the 22nd. That is before Memorial Day and also keeps us from doing any work on a Friday.

Obviously Dan will need to complete his repairs prior to us coming in. If we want to hit that May 20th deadline I believe Dan will need something signed in writing authorizing the go ahead this week so he can get in there.

Let me know if that will be a problem or not. Again, we will coordinate off your schedule Gus as this is your baby, but I thought it would be nice to try and complete everything before the holiday. Hopefully we are in the same line of thinking. I will also need a signed purchase order mid next week to keep us on the above schedule.

Thanks Gus and please let me know if there is anything else you need from me.

Subject: 2013 Caesar Creek State Park Chip Seal and Line Striping Work

Gus,

As discussed this date, Strawser Construction Inc. will be compensated by ODOT for the Chip Seal and Line Striping work authorized by ODOT Purchase Order # 341823 on Caesar Creek Park Roads R-1, R-2, R-3, and R-4 as follows.

WORK DESCRIPTION	QUANTITY	UOM	UNIT PRICE	AMOUNT
Single Chip Seal	35,401	S.Y.	\$4.67	\$165,322.67
Line Striping	13,126	FT.	\$0.58	\$7,613.08
Sub-total				\$172,935.75
ODOT DEDUCT: Additional #304 Stone Work on Caesar Creek State Park Road R-72 authorized by ODNR and not authorized by an ODOT Purchase Order.	4,307	S.Y.	\$3.92	(\$16,883.44)
Total Chip Seal Amount to be paid by ODOT P.O. # 341823				\$156,052.31

Strawser Construction Inc. will be compensated by ODNR for the additional #304 Stone work on Caesar Creek State Park Road R-72 authorized by ODNR and not authorized by an ODOT Purchase Order as follows.

WORK DESCRIPTION	QUANTITY	UOM	UNIT PRICE	AMOUNT
ODNR ADD: Additional #304 Stone Work to be paid by ODNR on Caesar Creek State Park Road R-72 authorized by ODNR and not authorized by an ODOT Purchase Order.	4,307	S.Y.	\$3.92	\$16,883.44

As agreed, Strawser will submit a revised invoice to ODOT, 505 South S.R. 741, Lebanon, Ohio 45036 in the amount of \$156,052.31 as indicated above to be paid via ODOT P.O. #341823. Further, ODNR and Strawser will discuss and determine payment options/methods for the #304 Stone work performed on Road R-72.
