OHIO INSPECTOR GENERAL REPORTS WRONGDOING BY INDIAN LAKE STATE PARK MANAGER  
Columbus, Ohio, April 11, 2013

The Ohio Inspector General has issued a report of investigation today finding a former Indian Lake State Park manager wrongfully ignored policies and procedures for the proper inventory, repair, purchase, and disposal of the state's equipment.

An allegation that the same manager improperly administered bids for repair and construction of the state's docks and other real estate improvements at Indian Lake was not substantiated.

The investigation was initiated after the Ohio Department of Natural Resources notified the inspector general of the allegations.
