OHIO INSPECTOR GENERAL INVESTIGATION: DEVELOPMENTAL CENTER EMPLOYEE  
WRONGFULLY PROFITED  
Columbus, Ohio, July 23, 2014

The inspector general issued a report of investigation today finding an employee of the Mount Vernon Developmental Center had used her position to gain something of value.

The investigation reviewed the actions of Sue Lindsey, an employee of the Ohio Department of Developmental Disabilities. Lindsey was assisting in the process of setting prices for products produced by developmental center residents and sold in a shop at the Mount Vernon Developmental Center. Lindsey was found to be personally purchasing items from the developmental center shop, and then reselling the same items at an increased price at a local consignment shop.

The report of investigation has been provided to the Ohio Ethics Commission for consideration.
